

Sparinvest SICAV - Long Danish Bonds DKK R

2025-04-30

Description

The Fund aims at providing a positive return over the medium term. The Fund invests at least 2/3 of its total net assets in Danish long-term bonds, notably Danish government bonds, corporate bonds guaranteed by the Danish government, Danish covered bonds and bonds issued by corporations having their registered office in Denmark. The Fund may, to a limited extent, invest in investment grade or high yield corporate bonds, non-rated corporate bonds and/or liquid assets and/or regularly traded money market instruments. Environmental and social characteristics as well as good governance of the companies invested into are taken into consideration when making investment decisions. The Fund promotes environmental and social characteristics, but does not have sustainable investment as an objective.

The Fund is actively managed and references a benchmark for asset allocation, risk measurement and comparative purposes. The Investment Manager has full discretion over the composition of the portfolio of the Fund even though the benchmark constituents are generally representative of the Fund's portfolio. The Fund does however not track the benchmark and can invest in instruments that are not constituents of the benchmark. The degree to which the composition of the Fund's portfolio may deviate from the benchmark will vary over time and the Fund's performance may be meaningfully different from that of the benchmark.

The share class can be terminated if the net asset value is below EUR 5 million or if a change in the economic or political situation would justify such liquidation of if necessary in the interests of the shareholders.
