

## Sparinvest SICAV - European Value EUR R

2026-04-30

## Description

The Fund, by using the value approach for the stock selection, aims at providing a positive return over the long term. The Fund invests at least 2/3 of its total net assets in developed European markets equity securities and/or equity-equivalent securities (such as ADR/ GDR) and up to 1/3 of its total net assets in developed European markets convertible securities and/or warrants on transferable securities. The Fund may, to a limited extent, invest in other transferable securities, and/or in liquid assets and/or in regularly traded money market instruments with a residual term of a maximum of 12 months and/or in fixed income transferable securities. The Fund can hold up to 15% in cash. There is no limitation in terms of currency of investments. Environmental and social characteristics as well as good governance of the companies invested into are taken into consideration when making investment decisions. The Fund promotes environmental and social characteristics, but does not have sustainable investment as an objective. Therefore, the Fund falls under the category of Article 8 SFDR.

The Fund may be appropriate for investors who seek capital appreciation over the long term. Investors must be aware that they might not recover the initial investments. Investors should consider their long-term investment goals and financial needs when making an investment decision. The Fund may not be appropriate for investors who plan to withdraw their money within 5 years.

The Fund is actively managed and references a benchmark for asset allocation, risk measurement and comparative purposes. The Investment Manager has full discretion over the composition of the portfolio of the Fund even though the benchmark constituents are generally representative of the Fund's portfolio. The Fund does however not track the benchmark and can invest in instruments that are not constituents of the benchmark. The degree to which the composition of the Fund's portfolio may deviate from the benchmark will vary over time and the Fund's performance may be meaningfully different from that of the benchmark.

The share class can be terminated if the net asset value is below EUR 5 million or if a change in the economic or political situation would justify such liquidation of if necessary in the interests of the shareholders.
