

Sparinvest SICAV - Global Convertible Bonds EUR R

2026-03-31

Description

The Fund aims at providing a positive return over the long term. The Fund invests at least 2/3 of its total net assets in high yield, investment grade and non-rated convertible bonds and/or convertible preferred shares. The Fund may invest in equities and/or equity-like securities. The Fund may invest in structured financial instruments such as, but not limited to, equity-linked securities, capital protected notes, and structured notes, certificates. The Fund may invest in all regions, including up to 30% of its total net assets in emerging markets. Environmental and social characteristics as well as good governance of the companies invested into are taken into consideration when making investment decisions. The Fund promotes environmental and social characteristics, but does not have sustainable investment as an objective.

The Fund is actively managed and references a benchmark for asset allocation, risk measurement and comparative purposes. The Investment Manager has full discretion over the composition of the portfolio of the Fund even though the benchmark constituents are generally representative of the Fund's portfolio. The Fund does however not track the benchmark and can invest in instruments that are not constituents of the benchmark. The degree to which the composition of the Fund's portfolio may deviate from the benchmark will vary over time and the Fund's performance may be meaningfully different from that of the benchmark.

The share class can be terminated if the net asset value is below EUR 5 million or if a change in the economic or political situation would justify such liquidation of if necessary in the interests of the shareholders.
