

Sparinvest SICAV - Global Ethical High Yield EUR R

2025-06-30

Description

The Fund aims at providing a positive return over the long term by investing at least 2/3 of its total net assets in High Yield Corporate Bonds. The Fund may, to a limited extent, invest in non-rated corporate bonds, contingent convertibles (less than 10% of the total net assets) and/or other fixed income transferable securities and/or liquid assets and/or regularly traded money market instruments with a residual term of a maximum of 12 months. The Fund may hold equities and equity-like securities acquired in the context of the restructuring of an issuing company or another corporate event. There is no limitation in terms of currency of investments. The Fund may invest in all regions, including emerging markets. The Fund uses derivatives to protect the portfolio against currency fluctuations. Environmental and social characteristics as well as good governance of the companies invested into are taken into consideration when making investment decisions. The Fund applies ethical screening of potential companies for investment, which may exclude certain companies or securities from investment. The ethical screening criteria takes into consideration involvement in the production and/or distribution of certain goods or services such as, for example, alcohol, gambling, tobacco, pornography, military equipment, oil, sands and thermal coal, and also to compliance with international norms for human rights, the environment, labour standards and anti-corruption. The Fund promotes environmental and social characteristics, but does not have sustainable investment as an objective.

The Fund is actively managed and references a benchmark for asset allocation, risk measurement and comparative purposes. The Investment Manager has full discretion over the composition of the portfolio of the Fund even though the benchmark constituents are generally representative of the Fund's portfolio. The Fund does however not track the benchmark and can invest in instruments that are not constituents of the benchmark. The degree to which the composition of the Fund's portfolio may deviate from the benchmark will vary over time and the Fund's performance may be meaningfully different from that of the benchmark.

The share class can be terminated if the net asset value is below EUR 5 million or if a change in the economic or political situation would justify such liquidation of if necessary in the interests of the shareholders.
